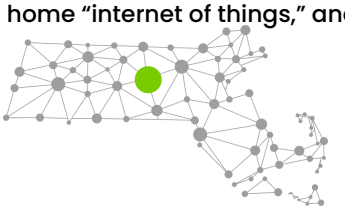
GIVE YOUR VALENTINE THE GIFT OF ENTERTAINMENT

POWERING THE FUTURE WITH FIBER

Construction of our 100% fiber-optic network is underway, covering 42% of Shrewsbury's footprint! Fiber to the home will provide customers with the bandwidth and speed needed for modern life. Fiber service offers outstanding reliability and symmetrical upload, and download speeds that best support learning and working from home as well as video streaming, gaming, smart home "internet of things," and so much more.



Once our new fiber service is available in your area, we will inform you by telephone and postcard. As fiber becomes available in neighborhoods throughout Shrewsbury, SELCO will be sending notices to customers to let them know when they are able to sign up for service.

Interested in learning more? Visit **www.SELCOupgrade.com** for frequently asked questions, maps, and project deployment timelines. We are excited to bring the next generation of the internet to the Shrewsbury community!

SELCO & NESN SCHOLARSHIP

Shrewsbury High School Seniors are encouraged to apply for one of three $1,000 scholarships made available by SELCO and New England Sports Network (NESN).

Each year SELCO and NESN give three $1,000 scholarships to graduating high school seniors from Shrewsbury. These scholarships are awarded based on community involvement, good citizenship, volunteer work inside and outside of school, a recommendation from an advisor or guidance counselor, financial need, and a statement of personal goals and aspirations.

The SELCO/NESN Scholarship application form is available online at ***SELCO.ShrewsburyMA.GOV/selcoscholarship***

All applications are due by March 10, 2023.
