

750kWh of Electricity

Cost as of June 1, 2016

SELCO Annual Elementary Open House

Each year SELCO invites 4th grade classes from Shrewsbury Public Schools and Al-Hamra Academy, as well as 3rd graders from St. Mary's School, to tour our electric garage. More than 500 students attended this year's event where they learned about electric generation, transmission, safety and conservation.

(L to R) Brian Keeley and Jim Henrickson explain how a transformer works.

Visit SELCO at the Shrewsbury Farmers Market

Come to the Shrewsbury Farmers Market at Ski Ward every Wednesday starting June 15th from 2:00 to 6:30 pm. The season's tastiest fruits and vegetables come from the Shrewsbury Farmers Market. There's always lots of fresh local produce to choose from, as well as special jams, honey, baked goods, dairy products and more!

SELCO will be at the Farmers Market June 15, July 13, August 17 and September 14. Please visit our booth each time as SELCO will have a different theme each visit.

The Farmers Market will run through September 21st and will offer Shrewsbury residents easy access to some of the best local produce available. For more information, visit The Shrewsbury Farmers Market website at www.shrewsburyfarmersmarket.com.

Floral Street & Coolidge Schools Create "Green" TV Ads

SELCO recently worked with all Floral Street School 3rd grade students and Coolidge School 4th grade students to produce energy and water conservation public service announcements. These ads will run on the following SELCO cable channels throughout the summer:

You can also see the ads on Shrewsbury Media Connections Online Video Library at www.ShrewsburyMA.gov/smc or our Facebook page www.facebook.com/selconews
