750kWh of Electricity

Cost as of November 1, 2019

New Heat Pump Incentives

Up to \$1,200 for SELCO Customers

Mitsubishi Electric is offering SELCO Customers special pricing on the purchase of a cold climate heat pump.

Visit SELCO.ShrewsburyMA.gov/green to learn more.

This is a limited time offer available through

December 31, 2019 or until funds are exhausted.

Heat Pump Benefits:

- **Energy Efficient** - Ductless heat pumps allow you to heat and cool specific areas in your home, meaning you use energy only where you need to. Plus, no energy is lost through leaky ductwork.
- **Versatility** - Ductless heat pumps don't require any ductwork and are therefore simpler to install. Plus, you get both heating and cooling from just one unit.
- **Financial Savings** - Ductless heat pumps are extremely energy efficient, meaning you'll save more on your energy bills in comparison to Oil and Propane.
- **Air Quality** - As your heat pump circulates the air in your room, the filters clean and purify the air removing dust, mold spores, odors, smoke and other particles. This makes them excellent for people that suffer from asthma and allergies.

How to Receive Your Incentive:

- Visit **MitsubishiComfort.com** and select "Get Started."
- Click on "Find a Contractor" and enter your zip code for a list of qualifying Mitsubishi Diamond Contractors.
- Contact your contractor to find out what equipment qualifies and which system design is right for your home.
- Work with your contractor to complete the installation and receive \$300 to \$600 (depending on the size and number of systems) in upfront incentives.
- After your installation, contact HELPS at **(413) 308-1369** to apply for a matching rebate from SELCO.

SELCO Sponsors Annual Santa's Toy Chest

Donate a NEW unwrapped toy to Santa's Toy Chest and get a FREE energy efficient light bulb courtesy of SELCO.

St. Anne's Human Services distributes toys to local children during the holiday season through the Santa's Toy Chest program.

New unwrapped toys can be dropped off at the SELCO office during regular business hours from November 29th through December 19th.

Join us in making this holiday season memorable for a local child in need. Gifts for children of all age groups are welcome.

Share the Warmth

SELCO is asking you to "Share the Warmth" with your neighbors who are having difficulty affording their electric bills this winter.

Fixed incomes, unemployment, illness and other economic problems make it difficult for some Shrewsbury families and senior citizens to afford even life's basic needs.

Please give generously using the envelope included in bills throughout November and December, by clicking the "Donate to Share the Warmth" link on www.SELCOEZpay.com, visiting SELCO.ShrewsburyMA.gov/ShareTheWarmth. Be sure to visit the SELCO booth at the first annual Yuletide Market on the common December 7th from 4 PM to 8 PM for our 2019 Share the Warmth Fundraiser. 100% of donations go directly to Shrewsbury residents in need.
