NEW EV Scheduled Charging Program

As part of our efforts to accelerate clean transportation alternatives in Massachusetts while effectively managing our distribution system, SELCO is now offering a free Wi-Fi-equipped Level 2 residential electric vehicle charger to eligible customers signing on to our EV Scheduled Charging Program.

What is a Scheduled Charging Program?

Scheduled charging is a set schedule to determine when you can and cannot use your charger at full power. Through the Wi-Fi connection enabled in your charger, SELCO can set the charger to charge at a Level 1 rate (1.25KW) during periods of peak energy usage for the rest of our distribution system.

Between the hours of 5:00 p.m. and 9:00 p.m. on non-holiday weekdays, your charger will function the same as a standard Level 1, plug in wall charger. Outside of this time period, the charger will automatically unlock to allow you full Level 2 fast-charging functionality.

How to Receive Your FREE Level 2 Home EV Charger

1. Customers with an electric vehicle should call 413-589-0141 or email ev@mmwec.org to confirm program participation eligibility.
2. Once eligibility is confirmed, the customer must submit a Scheduled Charging/Free EV Charger program application along with proof of vehicle ownership, signed charging agreement, and a copy of their most recent electric bill to MMWEC.
3. Upon installation of the unit, the customer will be required to complete registration and connection of the charging device to their home Wi-Fi network. Once registration is complete, the customer will be registered with SELCO's Electric Vehicle Scheduled Charging Program.

2017 Nissan Leaf Special Offer

SELCO is making customers aware of a special offer from Nissan North America. SELCO customers are eligible to receive a special rebate on the purchase of a new 2017 Nissan LEAF electric vehicle.

Simply show your SELCO utility

bill, with a copy of the flyer at <https://goo.gl/KTUqCM> to your participating Nissan dealership and receive a \$10,000 rebate (off MSRP) on a new 2017 Nissan LEAF! Combine that with the \$2,500 MA MOR-EV incentive and up to \$7,500 Federal Tax Incentive, you could receive up to \$20,000 in savings!

This limited time offer expires September 1, 2017 or while supplies last (whichever occurs first), and cannot be combined with any other Nissan special lease, APR or rebate.

FREE Home Energy Audits Available

SELCO offers residential customers a complete home energy audit at no charge. Audits are conducted by the Home Energy Loss Prevention Service (HELPS).

When you sign up for your free HELPS audit, an energy specialist will:

- Walk through your home to point out specific steps you can take to reduce your energy bills.
- Provide you with publications containing energy-saving tips & ideas
- Install energy-saving materials (e.g., LED Light Bulbs, Smart Power Strips) at no charge.
