HELPS CONNECTED HOMES

SELCO is harnessing the power of advanced, smart home technology to save energy and money through our new Connected Homes program. Customers can enroll compatible devices in the Connected Homes program, which will allow SELCO to make brief, limited adjustments during times of peak electric demand. Customers receive a financial incentive for each participating device they register with Connected Homes.

Check the chart below to find out if your smart device qualifies.

Smart Device	Qualifying Brands	Monthly Incentives
Battery	Sonnen	\$15
Electric Vehicle Charger*	Chargepoint	\$10
Electric Hot Water Heater	GE	\$5
Electric Hot Water Heater	Rheem	\$5
Mini-Split Controller	Sensibo	\$5
WiFi Thermostat	Google Nest**	\$5
WiFi Thermostat	Honeywell Home	\$5

HOW TO ENROLL

Step 1: Go to www.munihelps.org/connectedhomes to learn more about the program. This site has helpful resources and FAQs.

Step 2: Click on the Shrewsbury Electric and Cable Operations link to view our incentives.

Step 3: Click "Apply Online" to register your device!

Have questions about the Connected Homes Program?
 Email connectedhomes@mmwec.org or call **(413) 308-1311**

*Customers who received a free or discounted EV charger through the HELPS EV Program are not eligible to enroll in Connected Homes until three years after the charger was issued.
 **Google Nest thermostats will only be controlled between May 1 and September 30. The remaining devices will be controlled year-round. Google and Nest Thermostat are trademarks of Google LLC.
