## ENERGY STAR REBATES

SELCO is offering a rebate program for customers interested in purchasing Energy Star rated appliances.

Qualified appliances must be purchased between January 1, 2018 and December 31, 2018 and postmarked by January 31, 2019.

For more details and forms, visit [SELCO.ShrewsburyMA.GOV/REBATES](http://SELCO.ShrewsburyMA.GOV/REBATES)

## Earth Day Celebration

SELCO will hold its annual Earth Day Celebration in April!

Complete event information will be available at mid-March on our website, Facebook and also in the April Local Lines Newsletter. Stay tuned!

## 750kWh of Electricity

Residential Cost as of March 1, 2018

## EV Scheduled Charging Program

As part of our efforts to accelerate clean transportation alternatives in Massachusetts while effectively managing our distribution system, SELCO is offering a free Wi-Fi-equipped Level 2 residential electric vehicle charger to eligible customers signing on to our EV Scheduled Charging Program.

### What is a Scheduled Charging Program?

Scheduled charging is a set schedule to determine when you can and cannot use your charger at full power. Through the Wi-Fi connection enabled in your charger, SELCO can set the charger to charge at a Level 1 rate (1.25KW) during periods of peak energy usage for the rest of our distribution system.

Between the hours of 5:00 p.m. and 9:00 p.m. on non-holiday weekdays, your charger will function the same as a standard Level 1, plug in wall charger. Outside of this time period, the charger will automatically unlock to allow you full Level 2 fast-charging functionality.

### How to Receive Your FREE Level 2 Home EV Charger

1. Customers with an electric vehicle should call 413-589-0141 or email [ev@mmwec.org](mailto:ev@mmwec.org) to confirm program participation eligibility.
2. Once eligibility is confirmed, the customer must submit a Scheduled Charging/Free EV Charger program application along with proof of vehicle ownership, signed charging agreement, and a copy of their most recent electric bill to MMWEC.
3. Upon installation of the unit, the customer will be required to complete registration and connection of the charging device to their home Wi-Fi network. Once registration is complete, the customer will be registered with SELCO's Electric Vehicle Scheduled Charging Program.

Visit [SELCO.ShrewsburyMA.gov/EV](http://SELCO.ShrewsburyMA.gov/EV) to learn more about the EV Scheduled Charging Program.

10 AM to 10 PM Sun.

## Remember to Always Dig Safe!

Planning home improvements? Planting a tree? Installing a fence or deck? Whether you do it yourself or hire a professional, a safe job starts with a call to Dig Safe® at 811.

Dig Safe® is a not-for-profit clearinghouse that notifies participating utility companies of your plans to dig. In turn, these utilities (or their contract locating companies) respond to mark out the location of their underground facilities. Dig Safe is a free service.

It's a risk to make faulty assumptions about when to notify Dig Safe. That's why state law requires you to notify Dig Safe for even small projects, like installing a mailbox or planting shrubs. The depth of utility lines vary, and there may be multiple utility lines in a common area.

It's important to know what's below. Call 811 to avoid utility service disruption to an entire neighborhood, harm to you and those around you, as well as fines and repair costs.

## SELCO 0% Interest Energy Conservation Loan

Interested in making your home more energy efficient? Apply for a zero interest energy conservation loan from SELCO!

Replace old windows and doors, add insulation, or install supplemental solar at 0% interest for up to 60 months!

Loan details and applications are available at [SELCO.ShrewsburyMA.gov/loans](http://SELCO.ShrewsburyMA.gov/loans) or by calling 508-841-8500. Residents must contact HELPS for a free home energy audit (1-888-333-7525) and submit a loan application for pre approval before the start of any work.
